Catfish Plants At Oak Grove Regional Park To Begin In June

San Joaquin County Parks and Recreation will begin planting 4,800 lbs. of catfish, worth nearly \$15,400, this June during the fishing season at Oak Grove Regional Park.

The **first plant will coincide with the Parks Dept.'s annual Catfish Derby, set for Sat., June 5 at Oak Grove.** Approximately **1,500 lbs. of one to two lb. size catfish will be planted prior to the derby.**

Future catfish plantings of 225 lbs. are scheduled every Friday at Oak Grove through the Labor Day weekend. Additional catfish plantings from the California State Dept. of Fish and Game will occur throughout the season.

Oak Grove Regional Park is located on Eight Mile Road and Interstate 5 in Stockton.
